

AUDITOR

ASE 165 S

Specification sheet

With a mounting depth of only 4.8cm, the ASE 165 S component kit is dedicated to invisible installations in vehicles with little available depth in the doors. For nearly 20 years Auditor has benefited from many upgrades and has built its reputation around its reliability and its acoustic qualities which are unique to Focal and offered at a very attractive price. Combined with electronics or directly connected to the vehicle's original amplifier, this kit will considerably improve the audio experience in any type of cabin.
