

IC T3Y 100

Product sheet

MADE IN
FRANCE

IC T3Y 100 is a coaxial kit designed for drivers who want to replace their factory audio system with a high-quality solution by Focal that is fully compatible with the relevant Tesla models. This pair of speaker drivers is ideal for vehicles that do not have dedicated spaces for a tweeter. They are fitted with the Flax® cone, an exclusive Focal technology, that delivers ultra-realistic sound. Designed and manufactured in France, the Tesla-compatible Focal Inside range allows an à la carte/personalised audio system configuration and hugely improves the in-car listening experience.
